

The REACH Center has been serving survivors of crime and abuse since 1981. In 2009, The REACH Center joined with The Mental Health Association of Columbia-Greene Counties, Inc. to strengthen the resolve of their mission to create opportunities that improve the mental health and well-being of individuals, families and communities.

The Mission of The REACH Center is to eliminate interpersonal violence while representing and advocating for the needs of the survivors of crime and abuse. The REACH Center will promote crime prevention and provide education and information in Columbia and Greene Counties.

Our Services Include:

Resources & Information:

We provide valuable resources in assisting survivors including: treatment options, legal and medical provisions, program services and referrals to offer a wide range of additional supportive services.

Advocacy:

Advocates are available to meet with survivors to provide guidance, emotional support, and coordination of services.

Advocates act as a liaison between the survivor and other agencies and provide accompaniments for legal, medical and other necessary appointments.

Crisis Counseling & Therapy:

Specially trained counselors and licensed therapists are able to offer individual, family and group based services. Therapists are trained in several evidence based treatments and will work with the survivor to choose the right one.

Prevention Education & Specialized Training:

Presentations are available to the community to provide information and resources on topics including sexual assault prevention, signs and symptoms of trauma and abuse, healthy relationships, NYS Mandated Child Sexual Assault Prevention Education and program services.

Training is also available for professionals and agencies who may have contact with survivors of crime and abuse.

Hot-Line:

24 Hour, 7 Day a Week support is provided to survivors of crime and abuse. Our Hot-Line services are provided by Staff and Volunteers who are trained to provide crisis counseling via phone and accompaniments for medical emergencies.

Crime Victim's

Compensation Assistance:

Information and assistance with the New York State Office of Victim Services Compensation applications, a program dedicated to help provide financial assistance and reimbursement to victims of crime.

All services are available for any victimization, past or present. Survivors do not have to report the crime to law enforcement to receive services.
