The Philmont Hearth

April, 2021

Welcome: Staff and Residents of the Philmont Hearth

2021 has brought some big changes to the Residential Division! The Philmont Hearth came under the umbrella of the Mental Health Association.

Welcome to all of the residents and the staff who have joined our team!

Program Director - Joy Toothill

*Residential Counselors: Danielle Howard * Macklenn Williams* Lisa Motler *, Melissa Blass and Lisa Sencheria.*

The Hearth is located at 10 Maple Avenue Philmont, NY.

It is a 14 bed 24 hour staffed Community Residence. It opened its beautiful doors in 1981 and has had an impact on lives for the last 40 years! The Mental Health Association will begin a slow transition to our tried and true ways of serving those we are committed to supporting in their quest for independence.

We will update the agency as time goes by to share how the transition is going. Hopefully some day in the future we will be able to invite you all to join us for a tour of this grand property.
